## A Fun and Easy Way to Create Signs, Posters, Banners, Cards, Storybooks and More!

You'll have a "Yabba Dabba Doo" time with this outergalactic print kit featuring Hanna Barbera's JETSONS™ and FLINTSTONES™ characters.

Now you can use your imagination to design Fred and Barney banners, Pebbles posters, Dino decorations, Spacely Sprockets' signs or a greeting card with a Jetson jingle. The possibilities are endless

## THE FUN FEATURES INCLUDE:

- **60 Jetsons and Flintstones characters:** High resolution graphics including George, Jane, Judy and Elroy Jetson and their dog Astro: Fred, Wilma and Pebbles Flintstone and Dino; Barney, Betty and Bamm-Bamm Rubble
- **20 Borders:** Decorative designs that add unique style to each of your creations
- **7 Typefaces in 3 Sizes:** Each type style can be enhanced with special effects including italics, boldface and outline
- **PrintPower Compatibility:** Import graphics from PrintPower to expand your creative options
